Achieva Awards of Excellence

The Achieva Awards of Excellence honors a group of extraordinary and talented individuals, organizations and community groups who go above and beyond on behalf of people with disabilities.

Achieva is proud to acknowledge an outstanding group of people who represent Achieva's steadfast dedication to children and adults with disabilities and their families.

Achieva was formed by a group of family members with one common purpose: to ensure their loved ones with disabilities had the same chances in life that everyone should be given.

Over 69 years later, Achieva continues that mission through innovative and industry-changing programs and services for people with disabilities and their families.

Please join in the celebration!

Watch the event at: www.achieva.info/aoe

Statement of Mission:

Achieva advocates for, empowers, and supports people with disabilities and their families throughout their lives.

Statement of Vision:

Achieva envisions a community where all people with disabilities lead lives of personal significance.
